

## **Millie's Musings**

Hello again from Millie the Owl and all at Lydiard Millicent CE Primary School!

The end of the spring terms saw many comings and goings from school as first Class 5 and then Class 6 left us for their residential visits. Class 5 went to Oxenwood Outdoor Education Centre for a fun-packed two day stay, which included rifle shooting, orienteering, water sports and Greek themed activities. Class 6 set off, in snow, to spend four days at PGL in Liddington, where they enjoyed crate stacking, abseiling, obstacle course, raft-building, Jacob's ladder, climbing, archery, orienteering and zip wire, among other activities! I've heard that the adults were really impressed by the children's "have a go" attitude, and everyone learned a lot from the experience. We missed them all that week, but we are glad that they had such a good time. Well done, Y5 and 6.

The last week of term brought preparations for Easter, a festival which, I've learned, involves plenty of fun and chocolate, but also celebrates new life and sacrifice. Once again, the children visited the church, and my feathered friends in the window there tell me that they all sang beautifully to retell the Easter story.

As I write, it's very quiet here at the school, as the children are all on their Easter holiday. I'm looking forward to hearing their news when they return for a busy summer term.

Millie.
